Our Commitment

We are committed to protecting the privacy of individuals in connection with our drone operations. This policy is made in accordance with the Australian Privacy Act 1988 (Cth) and the Australian Privacy Principles (APPs). It applies to all personal information we collect in the course of our business, including information collected via our website, in person and through our drone operations.

1 What Personal Information We Collect

We may collect and hold the following categories of personal information:

Client & Contact Information

- Full name and contact details
- Email address and phone number
- Billing address and ABN
- Payment information (via secure processor)
- Client preferences and project brief

Operational Data

- Flight logs and GPS coordinates
- Site addresses and property details
- Images and video footage captured
- Audio recordings (where onboard mic active)
- CASA compliance and licence records

Website & Enquiry Data

- Name and email from contact forms
- IP address and browser information
- Pages visited and time on site
- Cookie and analytics data
- Social media interactions

APP 2 & 3

We only collect personal information that is reasonably necessary for our business functions. Where lawful and practicable, we offer the option to remain anonymous or use a pseudonym.

2 How We Collect Personal Information

We collect personal information through the following means:

- Directly from you via our website contact form or enquiry email
- Via signed client contracts and consent forms before operations
- During drone flights — images, video and audio captured on site
- Through flight planning tools and CASA notification systems
- From third parties (e.g. land owners, venue managers) with your consent
- Via cookies and analytics tools when you visit our website
- Through social media platforms where you interact with our content
- From publicly available sources (e.g. property title records for surveys)

IMPORTANT

If you provide personal information about a third party, you must ensure they have consented to the disclosure and are aware of this policy.

3 Why We Collect It — Purpose of Use

We use personal information only for the primary purpose of collection, or a directly related secondary purpose:

Delivering contracted services	Providing aerial photography, survey, inspection or other drone services as engaged.
Client communications	Responding to enquiries, sending quotes, contracts, invoices and project updates.
Compliance & safety	Meeting CASA, insurance, and legal obligations; maintaining flight and incident logs.
Improving our services	Analysing feedback and engagement to improve service quality (in de-identified form where possible).
Marketing (opt-in only)	Sending newsletters or promotional material only where you have opted in. Unsubscribe any time.
Legal obligations	Disclosing information where required by law, court order, or OAIC investigation.

4 Disclosure of Personal Information

We do not sell, rent or trade personal information. We may disclose it only in the following circumstances:

✓ Permitted disclosures	✗ We will never
- To subcontractors or editors involved in your project (under confidentiality agreements) - To cloud storage or software providers (under data processing agreements) - To insurance providers for claims processing - To CASA or other regulators for compliance purposes - Where required by a valid Australian court order or warrant - With your explicit written consent for any other disclosure	- Sell your personal information to any third party - Disclose footage to police or government without a lawful basis - Share identifiable images publicly without your consent - Transfer data overseas without adequate privacy protections - Use footage for purposes beyond the agreed project scope - Retain or disclose data beyond the agreed retention period

5 Overseas Disclosure (APP 8)

Some of our service providers may be located overseas. We take the following steps to protect your data:

- We use only overseas providers that are bound by privacy obligations substantially similar to the APPs
- Where possible, we select providers with Australian data residency options (e.g. AWS Sydney, Google Sydney)
- We do not transfer personal information to countries without adequate privacy protections without your consent
- Cloud storage platforms used: [List platforms, e.g. Google Workspace, Microsoft 365, Dropbox Business]

6 How We Protect Your Information (APP 11)

We take reasonable steps to protect personal information from misuse, interference, loss and unauthorised access:

Encryption	AES-256 encryption for all stored footage and client data on local drives and cloud storage.
Access controls	Role-based access; only authorised personnel can access client data and raw footage.
Secure transfer	HTTPS/TLS for all data in transit; no footage sent via unencrypted email or USB.
Device security	Password-protected devices; remote wipe capability for mobile devices and laptops.
Staff training	All staff and contractors complete privacy and data security training before project work.
Incident response	Data breach response plan in place; notifiable breaches reported to OAIC within 30 days.

7 Retention and Deletion of Personal Information

We retain personal information only for as long as necessary for the purposes described in this policy:

Client contact details	Duration of client relationship + 7 years
Raw flight footage	30 days post-project delivery (unless otherwise agreed in writing)
Edited / delivered files	As specified in client contract (typically 1–3 years)
Flight logs & compliance records	7 years (CASA and legal obligation)
Consent forms	7 years (must outlive the footage they cover)
Website analytics data	26 months (Google Analytics default) or as configured
Enquiry / contact form data	2 years if not converted to client; then deleted
Invoices and financial records	7 years (ATO obligation)

DELETION	When personal information is no longer required, we securely destroy or de-identify it. Deletion is logged with the data type, date and method. Secure erasure tools are used for digital media.
