4 How We Handle and Protect Your Data

Storage

All footage is stored on AES-256 encrypted drives or password-protected cloud storage. Access is restricted to authorised project personnel only.

Retention

Raw footage is retained for no longer than [_____ days / as agreed in writing]. Final delivered files are held per the client contract. All data is deleted on schedule.

Access & Correction

You may request access to personal data we hold about you, or request correction of inaccurate data, by contacting us at the details above. We will respond within 30 days.

Disclosure

We will not disclose your personal data to third parties without your consent, except where required by law (e.g. a valid court order or CASA safety obligation).

Cross-Border Transfer

Your data will not be transferred outside Australia without your consent or unless required to fulfil the contracted service using a platform with adequate protections.

5 Your Privacy Rights

Right to be informed

You have the right to know what data is being collected and why before it is collected.

Right of access

You may request a copy of any personal data we hold about you at any time (APP 12).

Right to correction

If your personal data is inaccurate, you may request we correct it (APP 13).

Right to complain

If you believe we have breached the Privacy Act, you may lodge a complaint with the Office of the Australian Information Commissioner (OAIC) at www.oaic.gov.au.

Right to anonymity

Where practicable, we will anonymise footage before delivery so you are not identifiable.
