

CARMELO MOSCHELLA

Instructional Designer | eLearning Developer | Compliance Learning Consultant

Brisbane, Queensland | Email and LinkedIn available on request

PROFILE

Instructional design and eLearning professional with more than 20 years of experience translating complex, technical and compliance-driven content into practical learning. Experienced across government, vocational education, mining, healthcare and professional environments.

CORE CAPABILITIES

Instructional design • Scenario-based learning • Storyline 360 • Rise 360 • Canvas • Moodle • aXcelerate • Docebo • Assessment design • VET compliance • WCAG 2.1 AA • Technical writing • Stakeholder and SME collaboration • AI-enabled workflows

SELECTED EXPERIENCE

Lexis Training | Instructional Design and LMS Development | 2022-2024

Migrated learning from Moodle to Canvas, redesigned course interfaces, integrated interactive content and used analytics and rubrics to support continuous improvement.

Informatec Pty Ltd | Learning and Technical Content

Developed learning resources and documentation for Queensland Corrections, using feedback and completion data to identify gaps and improve usability.

DBCT and Mining Learning Projects | Induction and Assessment Design

Developed content and assessment covering fit for work, environment, chemicals and spills, communication, site access, emergency procedures, fire awareness and common workplace hazards.

Government and Professional Learning Projects

Designed scenario-based digital learning, including Brisbane City Council Special Events Staff Training, focused on practical judgement, safety, customer service and incident response.

QUALIFICATIONS AND TOOLS

Master of Digital Design (Multimedia) • TAE40116 Certificate IV in Training and Assessment • Articulate Storyline and Rise • Lectora • Captivate • Vyond • Camtasia • Canvas • Moodle • Power BI • SharePoint • Adobe Creative Cloud

APPROACH

I start with the workplace decision, required evidence and learner context. I then design the content, interactions and assessment around what people must be able to do, not simply what they must be told.
